

Video Template

You do not need to record the whole workshop, but to help other DOs and coaches replicate and use your ideas, please include the following;

- Introduction to the workshop theme
- Pre monitoring and evaluating questions (if suitable for your participants)
- A short snippet explaining the main workshop activity
- A clip showing participants taking part in the activity
- Round up- what did they learn?
- Same M&E questions you asked at the start (if suitable)

Please share your content with us by email for it to be uploaded to the Hub.
