

All Aboard

Team Building Activity

- 1 Split the class into groups of around four children.
- 2 Give each group one piece of newspaper.
- 3 When the teacher calls 'all aboard' the children must all be on the piece of newspaper, so that no one is touching the bare floor.
- 4 Explain to the children that they are meant to be on the ship in the middle of shark infested water.
- 5 If someone is touching the floor, then that team is out. The group then reset.
- 6 Observe the different ways the children work out how to get everyone onto the paper, including using piggybacks.
- 7 Continue playing until there is only one group successfully 'all aboard'!

Challenge

Ask the children to fold the bit of newspaper in half after each round to make it more challenging.
