

# These Are My Strengths

We are all different and have different strengths, skills and personality traits. You may be a thoughtful person and good at reading or you may be adventurous and good at sports. Our strengths, traits, skills and differences are what make us all special and unique.

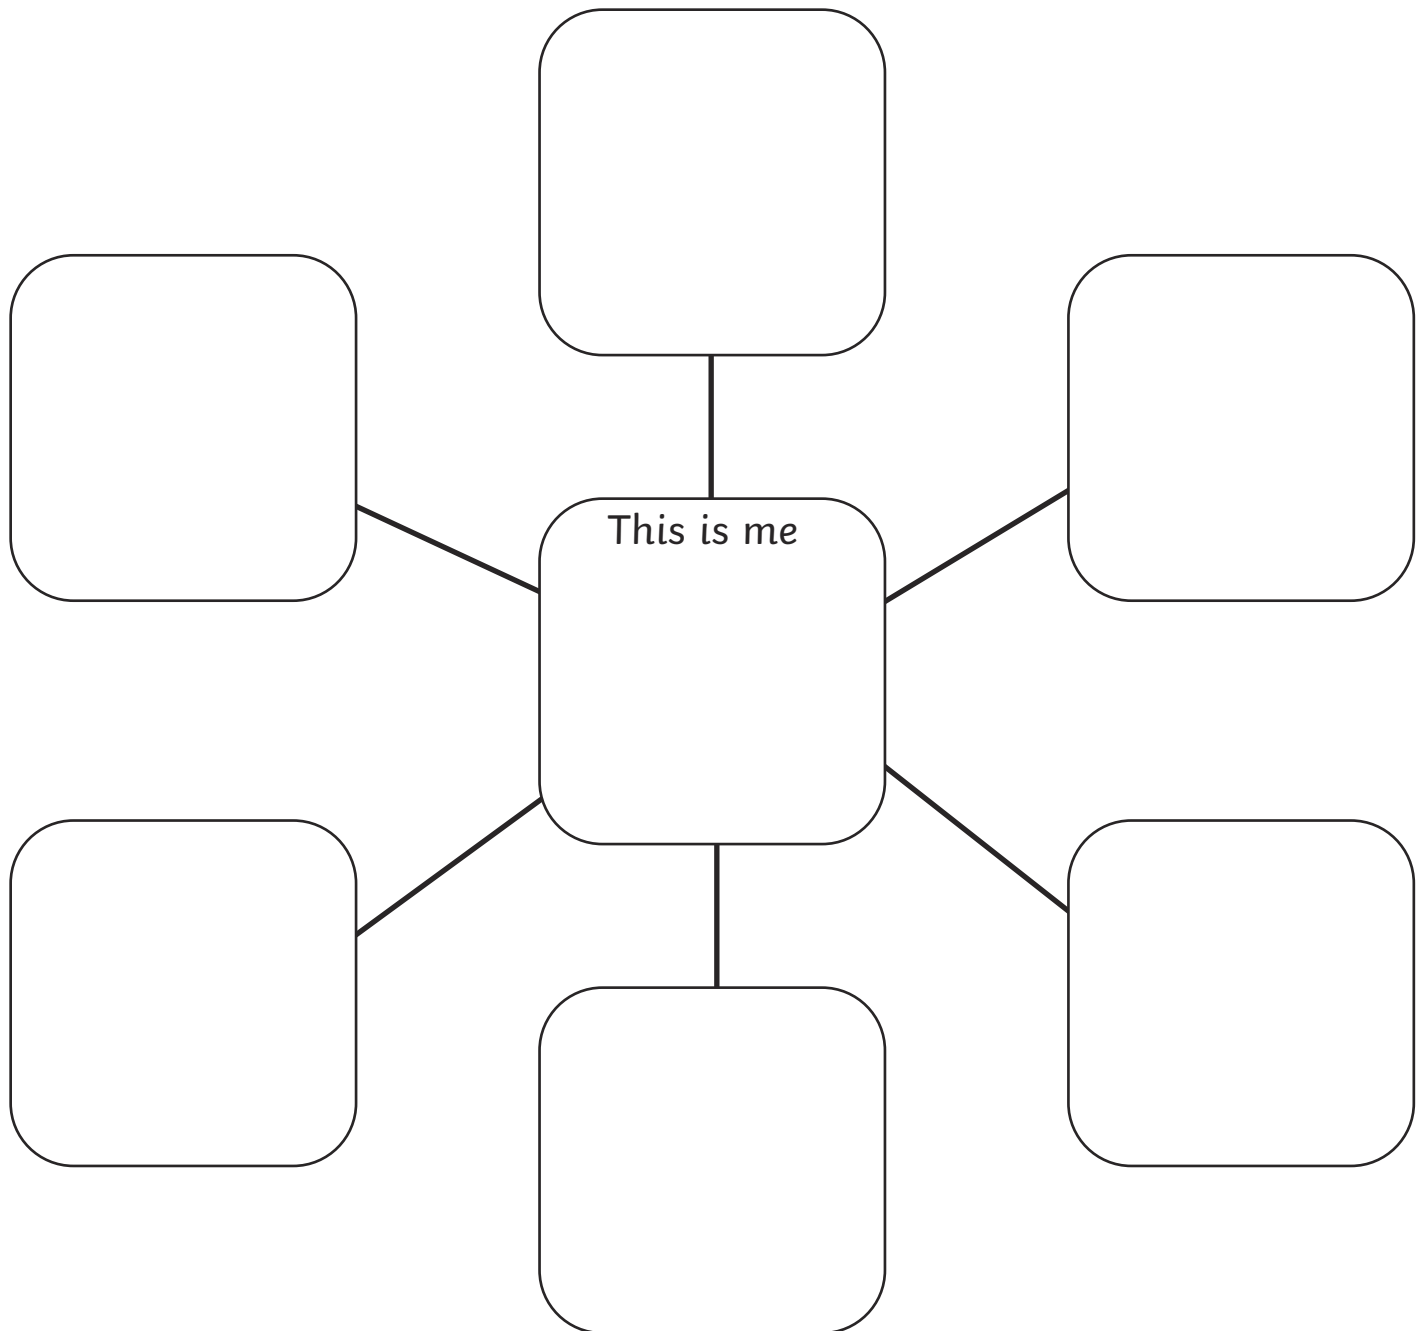

Stick a photo of yourself in the centre. Then, you can stick on pictures to show your strengths and the things you are good at.

# These Are My Strengths

We are all different and have different strengths, skills and personality traits. You may be a thoughtful person and good at reading or you may be adventurous and good at sports. Our strengths, traits, skills and differences are what make us all special and unique.

Draw a picture or write your name in the centre. Then, write or draw to show your strengths and the things you are good at.
