

# Facilities checklist

Our research has shown certain facilities can be a barrier preventing women and girls from playing cricket. To help reinforce feelings of security's and enjoyment factor we must take into account the following recommendations that came from our research when selecting a venue.

- Female only changing facilities and toilets
- Private changing facilities
- Changing rooms with mirrors
- Female only changing facilities and toilets
- Safe, secure and well lit car park and surrounding areas
- Changing rooms with mirrors
- Facilities that are out of the public eye or 'male gaze'.
- Social area for them to talk to their friends after the session
- Private changing areas
- Good lighting and security
- Clean and tidy
